Get to know the enrollment options

Initial Enrollment Period (IEP): This is when you first become eligible for Medicare. It starts three months before your 65th birthday and continues for seven months.

Annual Enrollment Period (AEP): This occurs annually from October 15 to December 7. During this time, you can pick a new D-SNP (or any Medicare Advantage plan), switch from Original Medicare to Medicare Advantage or change your Part D coverage.

Open Enrollment Period (OEP): This occurs annually from January 1 to March 31. It allows beneficiaries who are already enrolled in a Medicare Advantage plan to make certain changes to their coverage.

Special Enrollment Period (SEP):

There may be other times when you can enroll in a D-SNP. This can include if you move, or if there is a disaster declared by FEMA. Additionally, a SEP is available three months after you begin Medicaid coverage. Or a SEP is available for full-benefit dual-eligible individuals (FBDE) aligning Medicaid coverage and Medicare DSNP so that they are provided by the same insurance company. To check your eligibility for a SEP, call a licensed Aetna agent at 1-833-3597, 8 AM to 8 PM, 7 days a week, October 1 to March 31 and Monday to Friday April 1 to September 31
