

Typical memory slips

Signs of dementia

**Forgetting a word
from time to time**

**Missing a monthly
payment**

**Losing things now
and then**

**Making a poor
decision**

**Forgetting the day but
remembering later**

**Having trouble
carrying on a
conversation**

**Regularly struggling
to manage finances**

**Losing things frequently
without being able to
find them later**

**Making poor
judgments a lot of the
time**

**Losing track of the
date or time of year**
